WELCOME!

Welcome to the new Faculty and Students for the second three weeks of Summer Session!

The Registrar's Office reported 93 new students for the second three weeks and 31 who are planning to stay for the one week course of lectures, making a total enrollment to date, of 1,067. We hope this group will become part of our happy Student Body and enjoy the social activities planned for the remainder of Summer Session.

We extend a special welcome to two new and distinguished faculty members: Dr. Joseph S. Roucek and Dr. Stanley I. Rypins.

Dr. Joseph Roucek of Hofstra College, Hempstead, Long Island, also is a prolific writer of books and articles and a leading author on racial minorities. He and his charming wife will delight us with their music and culture, reminiscent of their native home in the Balkans.

Dr. Stanley Rypins is an old member of our own faculty and is well remembered for his brilliant scholarship and polished abilities as a lecturer.

A hearty welcome is extended to Miss Ida Morrison, a member of the San Francisco School Department, who has joined the group of Demonstration teachers at Frederic Burk. Miss Morrison studied at Columbia and recently completed her oral examination for the PhD degree at Stanford.

We are also glad to see Mr. Daniel Farmer and Mr. Morris Amsden of our faculty, back on the campus again.

- COLORFUL LECTURE -

"The Tragedy and Romance of Czechoslovakia", is the title of the lecture to be given by Dr. Joseph S. Roucek, at the Frederic Burk Auditorium, Thursday, July 24, at 10:00 A.M. His wife, Mrs. Joseph Roucek, an accomplished violinist, will sing and play folk songs of her native land. Dressed in native costume, she will explain the customs and traditions of the Czechs that have continued down through the centuries. This lecture is open to all students of the college, some of the ten o'clock classes receiving special invitation to come in a group.

Don't miss this wonderful opportunity to learn of the contributions the people of Czechoslovakia have made to the culture of the American people.

EXTRA! CAFETERIA MOVES TO LAWN!!

"What'll you have, dearie?" will echo across the lawn by Anderson Hall next Wednesday, as our own dear Mrs. Nattinger efficiently directs the culinary traffic at the picnic on the College Green.

Sandwiches, salads, ice cream, fruit, cookies, chocolate, milk and orange juice will be on sale and the Student Body will furnish coffee free. During the time of the picnic, the cafeteria's usual haunt will be closed.

- FOLK DANCING IS FUN! -

All students of Summer Session are welcome. Join us at Frederic Burk Auditorium next Thursday eve.

-CHILD LITERATURE TEST-

Students who have not met the requirement in Children's Literature, will have an opportunity to take the examination on Thursday, September 11, at one o'clock.

This examination is not required of those who have passed the course English 40. This course will be offered during Post Session. Reading lists for the examination are on sale at the Co-op.

The test will be given again in November. For the November test, the new and revised list will be available at the Co-op by September first.

TEA HONORING EDUCATION DEPARTMENT

Judging by the smiling faces, and busy hum of conversation, the tea on July 14th was a success.

Among members of the Education faculty attending were: Dean Mary A. Ward; Mrs. G. Leathurby, Miss Alice P. Allcutt, Miss Helen S. Thomas, Miss Hall, Mrs. Hermine Van Gelder, the Frederic Burk Librarian, and Mrs. Dorothy Fryman, of the Frederic Burk office. Those on the visiting Education faculty were: Mrs. Olive Hanifen, Miss Anna Forbes, Mrs. Estelle Dingess and Mrs. Jessie W. Williams. Also present were many students from the Education Department.

Members of the committee helping to make the tea an enjoyable affair, were: Chairman Pat Prims, Mary Silliman, Winifred Regier, Flora Farina, Katherine Speckter, Dorothy Ernst, George Herbert and Leon Roth.

-FACULTY LUNCHEON-

Members of the faculty gathered informally in the Activities Room at noon on Thursday, July 17th to enjoy a Faculty Luncheon for which Miss Doris Holtz was hostess.

Before the close of the noon hour, Dr. Wendell Otey, visiting Professor and pianist, entertained the group with several selections on the piano.

-LET'S MEET AT THE ICE FOLLIES!-

Tickets are now on sale, for a short time only, for the Ice Follies, at Winter Wonderland. Helen Hofer, assisted by Mildred Lawrence, is Chairman of the affair. Date: Tuesday, July 22; Time: 8:15 P. M.; Admission: Reserved seats 85 cents. Tickets may be bought at the ticket table in College Hall.

Miss Cecilia Anderson, of the Education Department, has joined a group of educators in the Teacher Development Workshop at Stanford. She is making a special study of the problems of the undergraduate prospective teacher during the first two years of college. Miss Anderson's study of this very vital problem will no doubt give her many interesting things to tell us when she returns in the Fall.

-WRITE HIM A LETTER!-

One of our students, Jerome Anker, is now at Fort Ord, and would like to hear from those who know him. Write to him, folks! Address letters to: Private Jerome Anker, Band, 17th Infantry, Fort Ord, California. We are doing our bit by sending him a copy of the "NEWSETTE".

-PHILOSOPHY HOUR LECTURE-

The last of a series of lectures for the Wednesday Philosophy Hour, will be given by Dr. Joseph S. Poucek, July 23, at Frederic Burk Auditorium. The lecture is called, "The Balkans: the Core of World War II".

Seen around the campus: Betty Frazee, who teaches near Monticello. She tells a story of Spring floods, with an anxious school waiting for, and finally rescuing a marooned teacher.

-BARBECUE A HUGE SUCCESS-

Last Tuesday night, students and teachers of San Francisco State relaxed from their studies to have an evening of fun at our Annual Barbecue picnic, held at Sigmund Stern Grove. About one hundred people were present.

Among those representing the faculty were: Dean Mary A. Ward, Dr. Sherman L. Brown, Mr. and Mrs. Thomas Brown, Mr. and Mrs. Ted Ellsworth and daughter Shirley, Mrs. Ruth Witt-Diamant, Mr. and Mrs. George Teale, Mr. Luther Meyer, Mr. and Mrs. James Dowrie and Mrs. Ruth March. Credit for the success of the affair is due to the efficient work of Lorraine Schwaderer, chairman of the evening, and Margie Weber, Virginia Gestrin, Jack Maddon, Bob McHenry, George Youngdale, Victor Rossi, Bob Dawn, Norman Johnson, Charles Perkins and Sid Golinsky. Most gracious and helpful were the hostesses: Myra Mae Chase, Mildred Lawrence, Dorothy Throndson, Dorothy Kuperstein, Patsy Miller, Barbara McFarlane, Margie Weber, Marion Christopherson, Lorraine Schwaderer, Alice Sanders and Virginia Gestrin. The entertainment was excellently handled by Ted Ellsworth, Fred Schill, Bob Aker and Winnie Regier. Games and Folk Dancing followed the delicious Italian dinner prepared by Chef Colucci.

-FREDERIC BURK NEWS-

The Second Three Weeks of the Eleven O'Clock Hour will be filled with interesting Intermediate Grade demonstrations and lectures. Scheduled to speak are Dr. Stanley I. Rypins and President Alexander C. Roberts.

A Motion Picture, "Medical Knowledge of Alcohol", will be shown in Frederic Burk Auditorium, on Monday Noon of the Sixth Week.

I AM A LOVELY GREEN POT with smooth lines, and very fond of cigarette stubs. I am very new and the FRONT PORCH of College Hall has taken a shine to me, keeping himself denied of stubs, seeing that I get them instead. My TWIN SISTER is also doing well, thank you, with the BACK PORCH.

The only cloud on my horizon is that PEOPLE (mostly girls) sometimes forget my PURPOSE - IN LIFE, using me for a chair, or to pile with their books. HAVA HEART!

-CLASSROOM FOR CHINESE STUDENTS-

Every summer Frederic Burk receives applications from Chinese students to attend the Training School's Summer Session. This year it was possible to have an entire classroom for them. They range in age from thirteen to eighteen years. They are here for work in English- spelling, reading and writing and come equipped with a Chinese dictionary and an English work-book.

Daily they file into Frederic Burk library to read, and occasionally Mrs. Van Gelder reads aloud to them. Their classroom teacher is Miss Loris Rego.

Mention must be made of the efficiency of Frederic Burk's Traffic Squad. Several boys who are not attending Summer School have volunteered their services. One who has been indispensable, is Bob Henderson. Congratulations, on a mighty fine spirit!

Accustomed to the Wild West of Rawlins, Wyoming, where she taught school, Miss Clare Gleason was amazed to see it more than duplicated at Salinas, until she found the cause in the annual rodeo in progress. Miss Gleason is at the Training School, doing practice teaching. Salinas welcomed her as a new teacher for the coming school year.

-SWEDISH DINNER-

The Swedish Dinner, an annual affair, held at Sveagard last Friday evening, will be long remembered by all who attended.

Guests of Honor for the evening were Mr. and Mrs. Wendell Otey and Miss Jessie Casebolt.

Co-chairmen Sylvia Guthertz and Victoria Encoyand helped to make the occasion a success.

Miss Alta Harris, who taught at the Demonstration School for the first three weeks, is now enjoying a vacation at Tahoe.

Miss Natalie Simon, who does special work with the deaf, is taking work here to obtain her elementary credential.

Miss Evelyn Geinzer, assisting Miss Anna Forbes at the Demonstration School, will teach at Livermore next Fall.

Miss Velma Crockett, formerly a teacher at Gallup, New Mexico, is working for an elementary credential to teach in California. Also seeking a California credential, is Miss Ann Oliver, from Arizona, now teaching 18th in the Training School.

Graduate Alice Force, attending summer session, teaches school at Canyon, the largest one-room school in Contra Costa county, having over thirty pupils.

Dean Walter J. Homan and family enjoyed a week-end over the Fourth of July, at Lake Echo, near Tahoe.

Mrs. Anna Dorris, faculty member, having completed an extensive tour of Guatemala, is now on her way to New York City, and expects to do some work at Teachers' College, Columbia.

-MESSAGES FROM THE REGISTRAR-

5

Any students planning to attend Post Session are urged to pre-register this coming week.

Students expecting to receive degrees or credentials at the close of Summer Session, who have not already made application for graduation, should do so at once.

There will be a test on the United States Constitution, at 3:00 P. M., on July 24th, Room 219. All students expecting to take this test, please call at the Registrar's office for a card of admission. The test will last for about an hour and a half.

As a result of the visit by Mr. Tripp, who made recordings of the original songs composed by Mrs. Lesser's class at the Demonstration School, the children were inspired to work on the project of making their own machine to cut records.

Victoria Regier, graduate of San Francisco State, was a visitor of the Summer Session the past week. She has been teaching at Piedmont, and has made an extensive tour of the Western states, as part of her vacation program.

Mr. Hal Harden, popular athletic instructor, is building a new house for himself this summer at White Oaks, on the road just below San Mateo. Much of this work he is doing by himself. Eventually he hopes to add a beautiful swimming pool to his estate.

-WHAT ABOUT YOUR SCHOOL SYSTEM?-

Is your School District doing a notable piece of work, of interest to other districts and teachers?

For example: Pittsburg gives all of its children fluroscope tests for tuberculosis.
